- (i) a restriction applicable to the Company shall be treated as also applicable to Rio Tinto plc (converting the restrictions, expressed in terms of a number of shares in the Company, into a number of Rio Tinto plc shares by application of the Equalisation Ratio), and vice versa in relation to a restriction applicable to Rio Tinto plc;

application of such percentage to the number of the Aggregate Publicly-held Ordinary Shares (after so taking into account the application of the Equalisation Ratio); and

- (d) References to offers by way of rights include offers which are subject to such exclusions or other arrangements as the Board or (where relevant) the Board of Rio Tinto plc may deem necessary or expedient in relation to fractional entitlements or legal or practical problems under the laws of, or the requirements of any recognised regulatory body or any stock exchange in, any territory.
- (e) A reference to the Corporations Act or any other statute or regulations or to the City Code on Takeovers and Mergers is a reference to it as in force from time to time, including any modification or substitution of it, and a regulation or statutory instrument issued under it unless the context otherwise requires.
- (f) A reference to the Listing Rules or to the ASTC Settlement Rules is to the Listing Rules or to the ASTC Settlement Rules (as the case may be) as are in force from time to time in relation to the Company after taking into account any waiver or exemption which is in force either generally or in relation to the Company.
- (g) Unless otherwise defined in these Rules, words which are given a special meaning by the Corporations Act have the same meaning in these Rules.

Without limiting the generality of Rule 5, the Board may make arrangements on the issue of shares for a difference between the holders of those shares in the amount of calls to be paid and the time of payment of those calls.

10. Shares at the disposal of the Board

Except as provided by contract or these Rules to the contrary, the Board may issue and allot shares, grant options over or otherwise dispose of shares on the terms and conditions and for the consideration and for or at the time it thinks fit.

- (f) any one of the joint holders may vote at any meeting of the Company either personally (including by duly authorised representative, attorney or, where permitted under these Rules, by direct vote) or by proxy, in respect of the shares as if that joint holder was solely entitled to the shares. If more than one of the joint holders are present at any meeting personally or by proxy or attorney, the joint holder who is present whose name stands first in the Register in respect of the shares shall alone be entitled to vote in respect of the shares.

15. Non-recognition of equitable interests, etc

Except as otherwise provided in these Rules, the Company shall be entitled to treat the registered holder of any share as the absolute owner of the share and accordingly shall not, except as ordered by a Court of competent jurisdiction or as required by statute, be bound to recognise (even when having notice) any equitable or other claim to or interest in the share on the part of any other person.

Subject to Rule 7, whenever the capital of the Company is divided into different classes of shares, all or any of the rights and privileges attached to any class may be varied or abrogated by a special resolution approving the proposed variation or abrogation passed at a special meeting of the holders of the issued shares of the class affected by a majority of not less than three-fourths of the holders present and voting either in person or by representative proxy or attorney or (if a quorum is not present at the special meeting or if the resolution is not passed by the necessary majority) by consent in writing signed by the holders of at least three-fourths of the issued shares of the class within two calendar months from the date of the special meeting. CALLS

26. Calls and notice of calls

Subject to the terms upon which any shares may have been issued, the Board may, from time to time, make calls as it thinks fit upon the members in respect of all moneys unpaid on their shares. Each member shall be liable to pay the amount of each call in the manner specified and at the time and place appointed by the Board. Calls may be made payable by instalments.

27. When a call is made

A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed. Subject to the Listing Rules, the call may be revoked at the discretion of the Board at any time prior to the date on which payment in respect of any call is due.

28. Interest on the late payment of calls

If any sum (or part of any sum) payable in respect of a call is not paid on or before the date appointed for payment, the member from whom the sum is due shall pay interest on the unpaid amount from the due date to the date of payment at the rate the Board from time to time determines. The Board may waive the whole or part of any interest paid or payable under this Rule.

29. Instalments

If, by the terms of an issue of shares, any amount is payable in respect of any shares by instalments, every instalment shall be payable as if it were a call duly made by the Board of which due notice had been given, and all provisions of these Rules with respect to the payment of calls and of interest or to the forfeiture of shares for non-payment of calls or with respect to liens or charges shall apply to the instalment and to the shares in respect of which it is payable.

30. Payment in advance of calls

The Board may, if it thinks fit, receive from any member all or any part of the moneys unpaid on all or any of the shares held by that member beyond the sums actually called up and then due and payable either as a loan repayable or as a payment in advance of calls. If it so elects the Company may pay interest on the moneys advanced at the rate and on the terms agreed by the Board and the member paying the sum in advance.

31. Non-receipt of notice of call

The non-receipt of a notice of any call by, or the accidental omission to give notice of any call to, any member shall not invalidate the call.

TRANSFER AND TRANSMISSION OF SECURITIES

32. Form of transfer

No transfer of any securities shall be registered unless:

- (a) a proper instrument of transfer, in writing in the usual or common form or in any form the Board may from time to time prescribe or in a particular case accept, duly stamped (if necessary), is delivered to the Company;
- (b) the transfer is a proper ASTC transfer, which is to be in the form required or permitted by the Corporations Act or the ASTC Settlement Rules; or
- (c) the transfer has been effected by any other electronic system in which the Company participates in accordance with the rules of that system.

33. Effecting a transfer

- (a) If required by the Corporations Act, the Listing Rules or the Board, an instrument of transfer shall be signed by or on behalf of the transferor and the transferee. Except in the case of a proper ASTC transfer, the transferor shall be deemed to remain the holder of the securities transferred until the name of the transferee is entered in the Register. A proper ASTC transfer is taken to be recorded in the Register, and the name of the transferee to be registered as the holder of the securities comprised in the proper ASTC transfer, at the time provided for in the ASTC Settlement Rules.
- (b) The Board may take any action it determines to comply with the ASTC Settlement Rules and may request the ASTC to apply a holding lock to prevent the transfer of securities the subject of the ASTC Settlement Rules.
- (c) The Company may do anything necessary or desirable to facilitate participation by the Company in any Uncertificated Transfer System or in any other uncertificated transfer system in which the Company participates.

34. Instrument of transfer and certificate to be left at Office

Every instrument of transfer shall be left for registration at the Office or any other place the Board determines from time to time. The instrument of transfer shall be accompanied by the certificate (if any) for the securities to be transferred and any other evidence which the Board may require to prove the title of the transferor, the transferor's right to transfer the securities, due execution of the transfer or due compliance with the provisions of any law relating to stamp duty. The Board may waive the production of the certificate (if any) in any case which it considers appropriate. The preceding requirements of this Rule do not apply in respect of a proper ASTC transfer.

35. Board may refuse to register

- (a) Subject to the Corporations Act, the Listing Rules and the ASTC Settlement Rules, the Board may refuse to register any transfer of securities:
 - (i) if the Company has a lien on the securities in accordance with the Listing Rules;
 - (ii) where it is permitted to do so by the Listing Rules;
 - (iii) [deleted April 2009]
 - (iv) where it is required to do so pursuant to a court order; or

- (v) if the registration of the transfer would result in a contravention of, or failure to observe the provisions of, any applicable law or the Listing Rules.

Notice of refusal of transfer

- (b) Notwithstanding the preceding paragraph, the Board may not refuse to register any proper ASTC transfer except as permitted by the Corporations Act, the Listing Rules or the ASTC Settlement Rules. Subject to the Corporations Act and the Listing Rules, the decision of the Board relating to the registration of a transfer is absolute. If the Board refuses to register a transfer, the Board shall give the lodging party written notice of the refusal and the reasons for the refusal within the maximum period permitted by the Listing Rules. Failure to give notice of refusal to register any transfer as may be required under the Corporations Act or the Listing Rules does not invalidate the decision of the Board.
- (c) The Board shall refuse to register any transfer of:
 - (i) the Special Voting Share unless the transfer is to a new RTP Shareholder SVC in accordance with the terms of the Rio Tinto plc Shareholder Voting Agreement; or
 - (ii) the Equalisation Share unless the transfer is to a member of the Rio Tinto plc Group or a trustee for the benefit of a member or members of the Rio Tinto plc Group.
- (d) The decision of the Board relating to the registration of such a transfer shall be absolute.

36. Company to retain instrument of transfer

Every instrument of transfer which is registered shall, for any period determined by the Board, be retained by the Company after which, the Company may destroy it provided that any instrument of transfer which the Board refuses to register shall (except in the case of fraud) be returned on demand to the person depositing it or to the transferee provided the demand is made within twelve calendar months after the giving of notice by the Company of its refusal to register the instrument of transfer. The preceding requirements of this Rule do not apply in respect of a proper ASTC transfer.

37. Closing Register

Subject to the Corporations Act, the Listing Rules and the ASTC Settlement Rules, the transfer books and the Register may be closed during such time as the Board thinks fit and the Board may specify a time by reference to which the entitlement of persons to vote at any general meeting of the Company is to be determined.

38. Cancellation of old certificate

Subject to Rule 34, and to the Corporations Act, the Listing Rules and the ASTC Settlement Rules, on every application to register the transfer of any shares or to register any person as a member in respect of any shares transmitted to that person by operation of law or otherwise, the certificate (if any) specifying the shares in respect of which registration is required shall be delivered up to the Company for cancellation and upon registration the certificate is considered to be cancelled.

39. Transmission upon death

- (a) Where a member dies:
 - (i) the legal personal representatives of the deceased, where the member was a sole holder or a joint holder holding as a tenant in common; and

- (ii) the survivor or survivors, where the member was a joint holder,
are the only persons recognised by the Company as having any title to the member's interest in the securities of the Company (as the case may be).
- (b) Subject to the Corporations Act, the Board may require evidence of a member's death as it determines.
- (c) This Rule does not release the estate of a deceased joint holder from any liability in respect of any security that had been jointly held by the holder with other persons.

40. Transmission by operation of law

Subject to the Corporations Act, the Listing Rules and the ASTC Settlement Rules, a person to whom the right to any shares has devolved by will or by operation of law, upon producing the certificate for shares (if any) and any other evidence the Board may require of title or that the person sustains the character in respect of which the person proposes to act under this Rule, may be registered as a member in respect of the shares or may (subject to the provisions in these Rules relating to transfers) transfer the shares.

41. Board may refuse registration of transmissions

The Board shall have the same right to refuse to register a person entitled by transmission to any shares or the person's nominee as if the person or the person's nominee were the transferee named in an ordinary transfer presented for registration.

FORFEITURE AND LIEN

42. Notice requiring payment of sums payable

If any member fails to pay any sum payable on or in respect of any shares, either for allotment money, calls or instalments, on or before the day appointed for payment, the Board may, at any time after the day specified for payment whilst any part of the sum remains unpaid, serve a notice on the member requiring that member to pay the sum or so much of the sum as remains unpaid together with interest accrued and all expenses incurred by the Company by reason of the non-payment.

43. Content of notice

The notice shall name a day on or before which the sum, interest and expenses (if any) are to be paid and the place or places where payment is to be made. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the sum is payable will be liable to be forfeited, and such other information as required by the Corporations Act, the Listing Rules and ASTC Settlement Rules.

44. Forfeiture on non-compliance with notice

If there is non-compliance with the requirements of any notice given pursuant to Rule 42, any shares in respect of which notice has been given may, at any time after the day specified in the notice for payment whilst any part of allotment moneys, calls, instalments, interest and expenses (if any) remains unpaid, be forfeited by a resolution of the Board to that effect. The forfeiture shall include all dividends, interest and other moneys payable by the Company in respect of the forfeited shares and not actually paid before the forfeiture.

45. Notice of forfeiture

When any share is forfeited, notice of the resolution of the Board shall be given to the member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture and the date of forfeiture shall be made in the Register as the case may be. Failure to give notice or make the entry as required by this Rule shall not invalidate the forfeiture.

46. Disposal of forfeited shares

Any forfeited share shall be deemed to be the property of the Company and the Board may sell, re-allot or otherwise dispose of or deal with the share in any manner it thinks fit and, in the case of re-allotment, with or without any money paid on the share by any former holder being credited as paid up.

47. Annulment of forfeiture

The Board may, at any time before any forfeited share is sold, re-allotted or otherwise disposed of, annul the forfeiture of the share upon any condition it thinks fit.

48. Liability notwithstanding forfeiture

Any member whose shares have been forfeited shall, notwithstanding the forfeiture, be liable to pay and shall forthwith pay to the Company all sums of money owing upon or in respect of the forfeited shares at the time of forfeiture, together with interest from that time until payment at the rate the Board from time to time determines and expenses. The Board may enforce the payment or waive the whole or part of any sum paid or payable under this Rule as it thinks fit.

49. Company's lien or charge

The Company shall have a first and paramount lien or charge for unpaid calls, instalments and any amounts the Company is called upon by law to pay in respect of the shares of a member upon shares registered in the name of the member or joint members in respect of which the calls or instalments are due and unpaid (whether presently payable or not) or in respect of which the amounts are paid and upon the proceeds of sale of the shares.

The lien or charge shall extend to all dividends and bonuses from time to time declared in respect of the shares; provided that if the Company registers a transfer of any shares upon which it has a lien or charge without giving the transferee notice of its claim, the shares shall be freed and discharged from the lien or charge of the Company. The Company may do all things necessary or appropriate under the ASTC Settlement Rules to protect or enforce any lien or charge.

50. Sale of shares to enforce lien

- (a) Subject to paragraph (b), for the purpose of enforcing a lien or charge, the Board may sell the shares which are subject to the lien or charge in any manner it thinks fit, but no sale shall be made:
 - (i) until notice in writing of the intention to sell has been served on the member in whose name the shares are registered or the member's representatives; and
 - (ii) default has been made in payment of the part of the amount in respect of which the lien exists as is presently payable for fourteen days after the giving of notice.
- (b) In respect of any shares which are CHES approved securities, for the purpose of enforcing a lien or charge, the Board may sell the shares which are subject to the lien or charge in accordance with the ASTC Settlement Rules.

- (c) ~~The Board may authorise a person to do everything necessary to transfer the shares sold to the purchaser of the shares. The Company may appoint any person to transfer, as transferor, the shares which are subject to the lien or charge, and may do all other acts and things it considers necessary or expedient to effect the transfer of the shares, and such transfer shall be as effective as if it had been carried out by the registered holder of or person entitled by transmission to such shares. The transferee shall not be bound to see to the application of the purchase money and the title of the transferee shall not be affected by any irregularity or invalidity in the proceedings relating thereto.~~

51. Title of shares forfeited or sold to enforce lien

- (a) In the case of a sale or a re-allotment of forfeited shares or of the sale of shares to enforce a lien or charge, an entry in the minute book of the Board that the shares have been forfeited, sold or re-allotted in accordance with these Rules shall be sufficient evidence of that fact as against all persons entitled to the shares immediately before the forfeiture, sale or re-allotment of the shares. The Company may receive the purchase money or consideration (if any) given for the shares on any sale or re-allotment.
- (b) In the case of re-allotment, a certificate signed by a Director or the Secretary to the effect that the shares have been forfeited and the receipt of the Company for the price of the shares shall constitute a good title to them.
- (c) In the case of a sale, the Company may appoint a person to execute, or may otherwise effect, a transfer in favour of the person to whom the shares are sold.
- (d) Upon the issue of the receipt or the transfer being executed or otherwise effected the person to whom the shares have been re-allotted or sold shall be registered as the holder of the shares, discharged from all calls or other money due in respect of the shares prior to the re-allotment or purchase and the person shall not be bound to see to the regularity of the proceedings or to the application of the purchase money or consideration; nor shall the person's title to the shares be affected by any irregularity or invalidity in the proceedings relating to the forfeiture, sale or re-allotment.
- (e) The net proceeds of any sale or re-allotment shall be applied first in payment of all costs of or in relation to the enforcement of the lien or charge or the forfeiture (as the case may be) and of the sale or re-allotment, next in satisfaction of the amount in respect of which the lien exists as is then payable to the Company (including interest) and the residue (if any) paid to the person registered as the holder of the shares immediately prior to the sale or re-allotment or to the person's executors, administrators or assigns as the person or the person's executors, administrators or assigns shall direct upon the production of any evidence as to title required by the Board.

GENERAL MEETINGS

57. Annual general meetings

- (a) General meetings of the Company may be convened and held at the times and places (including at two or more venues using technology that gives members a reasonable opportunity to participate) and in the manner determined by the Board and in accordance with the requirements of the Corporations Act. The general meetings before which the annual accounts of the Company are to be laid shall be called annual general meetings.
- (b) The Directors may make whatever arrangements they consider fit to allow those entitled to do so to attend and participate in any general meeting. The Directors shall determine in relation to each general meeting the means of attendance at and participation in the general meeting, including whether the persons entitled to attend and participate in the general meeting shall be enabled to do so:
 - (i) by simultaneous attendance and participation at a satellite place or places pursuant to Rule 57(c); and/or
 - (ii) by means of electronic facility or facilities pursuant to Rule 57A(a).(and for the avoidance of doubt, the Directors shall be under no obligation to offer or provide such satellite place or places or facility or facilities).
- (c) In the case of any general meeting, the Directors or the chair may make arrangements for simultaneous attendance at and participation in the general meeting in more than one physical place by persons entitled to attend the meeting. The members present in person or by proxy at a satellite place shall be counted in the quorum for, and entitled to vote at, the general meeting in question. The general meeting shall be duly constituted and its proceedings valid if the chair is satisfied that adequate facilities are available throughout the meeting to ensure that members attending at the principal place and any satellite place(s) are able to:
 - (i) participate in the business for which the meeting has been convened; and
 - (ii) see, and be seen by, persons attending at the principal place and any other satellite place(s) at which the meeting is convened.

The general meeting shall be deemed to take place at the place where the chair presides (the **principal place**, with any other location where that meeting takes place being referred in these Rules as a **satellite place**). The powers of the chair shall apply equally to each satellite place, including his or her power to adjourn the meeting as referred to in Rule 67.

57A. Hybrid Meetings

- (a) The Directors may determine in relation to any general meeting (including any general meeting that is being held at more than one physical place) to enable persons entitled to attend and participate to do so by simultaneous attendance and participation by means of electronic facility or facilities (any such general meeting being a **Hybrid Meeting**). The members present in person, by proxy, or by means of electronic facility or facilities shall be counted in the quorum for, and entitled to participate in, the general meeting in question. A Hybrid Meeting shall be duly constituted and its proceedings valid if the chair of the meeting is satisfied that adequate facilities are available throughout the meeting to ensure that members attending the meeting by all means (including by means of electronic facility or facilities) are able to participate in the business for which the meeting has been convened.

For the purposes of all other provisions of these Rules any such meeting shall be treated as being held and taking place at the principal place.

- (b) If a general meeting is held partly by means of electronic facility or facilities, the Directors (and, at a general meeting, the chair) may (subject to the requirements of the Corporations Act) make any arrangement and impose any requirement or restriction in connection with participation by such facility or facilities, including any arrangement, requirement or restriction that is:
- (i) necessary to ensure the identification of those taking part and the security of the electronic facility; and
 - (ii) proportionate to the achievement of those objectives.
- (c) In no circumstances shall the inability of one or more members to access, or to continue to access, the electronic facility or facilities for participation in the meeting affect the validity of the meeting or any business conducted at the meeting, provided that sufficient members are able to participate in the meeting as are required to constitute a quorum under Rule 61.

57B. Contemporaneous Parallel RTP General Meetings

- (a) If a general meeting is convened for a time which is most nearly, or is actually, contemporaneous with the general meeting of the shareholders of Rio Tinto plc (**Parallel RTP General Meeting**) then:
- (i) the Board may decide that it will take steps to make audio-visual communication facilities available to allow those Directors physically present at the Parallel RTP General Meeting to participate in the general meeting and that those Directors shall be treated as being present at the general meeting for all purposes in their capacity as Directors; and
 - (ii) the general meeting may be conducted contemporaneously with the Parallel RTP General Meeting in such manner as the chair of the meeting may decide.

including taking steps to make audio-visual communications facilities available to allow persons physically present at the Parallel RTP General Meeting to participate in the general meeting, provided that, subject to Rule 57B(h), such persons shall not be deemed to be “present” at the general meeting.

- (b) If Rule 57B(a)(i) applies, the Board may decide that the identity of the chair of the meeting shall be determined in accordance with Rule 63 either:
 - (i) on the basis that all of the Directors present at the general meeting, including those who are treated as present as a result of the application of Rule 57B(a)(i), are treated as present for the purposes of Rule 63; or
 - (ii) on the basis that only those Directors physically present at the general meeting, and not those Directors who are treated as present as a result of the application of Rule 57B(a)(i), are treated as present for the purposes of Rule 63.
- (c) If the chair of the meeting chosen in accordance with Rule 57B(b) and Rule 63 is not physically present at the general meeting, he or she may appoint a Director who is physically present at the general meeting (a **Supplementary Chair**) who shall have all the powers necessary or desirable for the purpose of keeping good order at the general meeting and carrying out all requests made of him or her by or on behalf of the chair of the meeting .
- (d) The chair of the meeting shall be treated as present as proxy at the general meeting for any member who has appointed the chair of the meeting as his or her proxy in accordance with these Rules if he or she is present as a result of the application of Rule 57B(a)(i) as well as if he or she is physically present at the general meeting, and for this purpose the chair of the meeting may make such arrangements as he or she thinks fit in order to allow himself or herself to participate in the general meeting and vote as proxy, including (but without prejudice to the other provisions in these Rules in relation to polls) as regards the manner of conducting, and arrangements for a vote on, a poll.
- (e) If Rule 57B(a)(i) applies and either the audio-visual communications facilities referred to in Rule 57B(a)(i) are not operational (in whole or in part) at the time fixed for the start of the general meeting or during the general meeting such audio-visual communications facilities cease to be operational (in whole or in part), but the chair is still reasonably able to exercise his or her powers as chair of the meeting, or for any other reason the chair considers it desirable for the conduct of the general meeting, then the chair of the meeting may without the consent of the general meeting:
 - (i) determine what steps (if any), should be taken to endeavour to establish, maintain or restore all or part of such facilities or to facilitate the conduct of the general meeting;
 - (ii) determine that the general meeting will continue separately from, and without any audio-visual communications link to, the Parallel RTP General Meeting on the basis that:
 - (A) the Directors who are not physically present at the general meeting will cease to be treated as being present at the general meeting; and
 - (B) if the chair of the meeting is not physically present at the general meeting, the Supplementary Chair or a person determined in accordance

with Rule 57B(b)(ii) will be the chair of the meeting from that time onwards for all purposes; and/or

- (iii) if the chair of the meeting has exercised his or her rights pursuant to paragraph (ii), determine that, if such facilities are established or restored, Rule 57B(a)(i) shall apply again so that the Directors present at the Parallel RTP General Meeting are treated as being present at the general meeting and in that case the Supplementary Chair or the person determined in accordance with Rule 57B(b)(ii) shall withdraw as chair and the original chair shall be chair of the meeting from that time onwards for all purposes.
- (f) If Rule 57B(a)(i) applies and either the audio-visual communication facilities referred to in Rule 57B(a)(i) are not operational (in whole or in part) at the time fixed for the start of the general meeting or during the general meeting such audio-visual communications facilities cease to be operational (in whole or in part) and as a result the chair of the meeting is not reasonably able to exercise his or her powers as chair of the meeting, then the Directors who are not physically present at the general meeting will cease to be treated as being present at the general meeting and the Supplementary Chair or a person determined in accordance with Rule 57B(b)(ii) will be the chair of the meeting from that time onwards for all purposes. The chair of the meeting (as so determined) may without the consent of the general meeting:

 - (i) determine what steps (if any) should be taken to endeavour to establish, maintain or restore all or part of such facilities or to facilitate the conduct of the general meeting;
 - (ii) determine that if such facilities are established or restored, Rule 57B(a)(i) shall apply again so that the Directors present at the Parallel RTP General Meeting are treated as being present at the general meeting and in that case he or she may withdraw as chair of the meeting to allow a person determined in accordance with Rule 57B(b)(i) to be chair of the meeting from that time onwards for all purposes; and/or
 - (iii) determine that the general meeting will continue separately from, and without any audio-visual communications link to, the Parallel RTP General Meeting.
- (g) Under no circumstances will the fact that the audio-visual communication facilities referred to in Rule 57B(a) were not operational (whether in whole or in part) either at the start of or during a general meeting affect the validity of the general meeting or any business conducted at the general meeting.
- (h) The chair of the meeting may decide that the location of the Parallel RTP General Meeting shall be treated as a satellite place for the general meeting, such that members of the Company physically present at the Parallel RTP General Meeting shall be treated as being present at the general meeting for all purposes in their capacity as members of the Company subject to the terms of Rule 57(c).
- (i) Nothing in this Rule 57B limits the rights of members to attend a Hybrid Meeting through an electronic facility in accordance with Rule 57A(a) and the chair of the relevant Hybrid Meeting may decide to provide access to an electronic facility to members of the Company physically present at the Parallel RTP General Meeting in order to allow such persons to attend and participate in a Hybrid Meeting in accordance with Rule 57A(a).

- (j) Nothing in this Rule 57B limits the powers and discretions otherwise vested in the chair under these Rules.

58. Notice of general meeting

- (a) Notice of a general meeting may be given by the Board in the form and in the manner the Board thinks fit. The notice may also identify any satellite places determined in accordance with Rule 57(c).
- (b) If the Directors determine that a general meeting shall be held partly by means of electronic facility or facilities, the notice shall specify details of such electronic facility or facilities, including any related access, identification and security arrangements, or shall state where such details will be made available by the Company prior to the meeting.
- (c) If, after the sending of notice of a general meeting but before the meeting is held, or after the adjournment of a general meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Directors decide that it is impracticable or unreasonable to hold the meeting at the time specified in the notice of meeting and/or using the electronic facilities stated in the notice of meeting or made available prior to the meeting, they may change the meeting to remove the ability for persons entitled to attend and participate to do so by simultaneous attendance and participation by means of electronic facility or facilities (such that the meeting is no longer a Hybrid Meeting and the general meeting is to be held by way of physical attendance at the principal place or any satellite place only), or change the electronic facility or facilities to be used for such general meeting and/or postpone the time at which the meeting is to be held. If such a decision is made, the Directors may then change again the electronic facility or facilities and/or postpone the time if they decide that it is reasonable to do so. In any case:
 - (i) no new notice of the meeting need be sent, but the Directors shall take reasonable steps to publicise the date and time of the meeting, and the means of attendance and participation (including any place and/or electronic facility) for the meeting and shall take reasonable steps to ensure that notice of the change or removal of the electronic facility or facilities for participation in the meeting (if any), and/or postponement, shall appear at the original place or places and/or on the original electronic facility or facilities, in each case at the original time;
 - (ii) if the general meeting is postponed in accordance with this Rule 58(c), the appointment of a proxy will be valid if it is received as required by these Rules not less than 48 hours before the postponed time appointed for holding the meeting, provided that the Directors may at their discretion determine that, in calculating the period of 48 hours, no account shall be taken of any part of a day that is not a Business Day; and
 - (iii) this Rule 58(c) does not apply to a meeting convened in accordance with a members' requisition under the Corporations Act or any other meeting that is not called by a resolution of the Board.

59. Omission to give and non-receipt of notice

The non-receipt of a notice of any general meeting by, or the accidental omission to give notice to, any person entitled to notice shall not invalidate any resolution passed at that meeting.

PROCEEDINGS OF MEETINGS

60. Business of general meeting

The business of an annual general meeting shall be to receive and consider the accounts and reports required by the Corporations Act to be laid before each annual general meeting, to elect Directors in the place of those retiring under these Rules, when relevant to appoint an Auditor, and to transact any other business which, under these Rules, is required to be transacted at any annual general meeting. All other business transacted at an annual general meeting and all business transacted at other general meetings shall be deemed special. The Auditor shall be entitled to attend and be heard on any part of the business of a meeting which concerns the Auditor.

61. Quorum

The quorum for a general meeting shall be two members present. No business shall be transacted at any general meeting (other than an adjourned meeting under Rule 62) except the election of a [chairman-chair](#) and the adjournment of the meeting unless the requisite quorum is present at the commencement of business.

62. Adjournment in absence of quorum

If, within 5 minutes from the time appointed for a general meeting (or such longer interval as the [chairman-chair](#) of the meeting may think fit to allow), a quorum is not present [or the facilities at the principal place or any satellite place or an electronic facility provided by or on behalf of the Company are or become inadequate for the purposes referred to in Rule 57](#), or if during the meeting a quorum ceases to be present, the meeting, if convened on the requisition of members, shall be dissolved. In any other case it shall stand adjourned to such other day and such time and place [with such additional means of attendance and participation \(including at such place\(s\) and/or by means of such electronic facility or facilities\)](#), as may have been specified for that purpose in the notice convening the meeting or (if none was specified) as the [chairman-chair](#) of the meeting may determine [either without specifying another time or place or to another specified time or place](#). If at such adjourned meeting a quorum is not present within 5 minutes from the time appointed for holding the meeting, the members present in person or by proxy shall be a quorum.

63. [ChairmanChair](#)

The person entitled to take the chair at any general meeting shall be the person who immediately before the general meeting is the [Chairman-Chair](#) of the Board or failing that person, a Deputy [ChairmanChair](#).

- (a) If there is no such [Chairman-Chair](#) or Deputy [ChairmanChair](#), or if at any meeting neither is present within 5 minutes after the time appointed for holding the meeting and willing to act, the Directors present shall choose one of their number to be [chairman-chair](#) of the meeting. If no Director is present or if all Directors present decline to take the chair, a member may be elected to be the [chairman-chair](#) by a resolution of the Company passed at the meeting.
- (b) [The provisions of this Rule 63 are subject to the provisions of Rule 57B.](#)

64. Acting Chairman-Chair

If during any general meeting the chairman-chair appointed pursuant to Rule 63 is unwilling to act as chairman-chair for any part of the proceedings, the chairman-chair may withdraw as chairman-chair during the relevant part of the proceedings and may nominate any person who immediately before the general meeting was a Director or who has been nominated for election as a Director at the meeting to be Acting Chairman-Chair of the meeting during the relevant part of the proceedings. Upon the conclusion of the relevant part of the proceedings the Acting Chairman-Chair shall withdraw and the chairman-chair shall resume acting as chairman-chair of the meeting. The provisions of this Rule 64 are subject to the provisions of Rule 57B.

65. General conduct of meeting

The chairman-chair of any general meeting shall be responsible for the general conduct of meetings of the Company and for the procedures to be adopted at those meetings. Except as otherwise required by the Corporations Act or by these Rules, the chairman-chair of any general meeting may at any time the chairman-chair considers it necessary or desirable for the proper and orderly conduct of the meeting demand the cessation of debate or discussion on any business, question, motion or resolution being considered by the meeting and require the business, question, motion or resolution to be put to a vote of the meeting. The chairman-chair may require the adoption of any procedures which are in the chairman's-chair's opinion necessary or desirable for the proper and orderly casting or recording of votes at any general meeting of the Company, whether on a show of hands or on a poll.

66. Amendments to resolutions

- (a) If an amendment is proposed to any resolution under consideration but is, in good faith, ruled out of order by the chairman-chair of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment to that resolution (other than a mere clerical amendment to correct a patent error) may be considered or voted upon.
- (b) In the case of any resolution duly proposed as an ordinary resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error or an amendment to conform such resolution to a resolution duly proposed at the nearly contemporaneous general meeting of Rio Tinto plc) may be considered or voted upon unless written notice of the proposed amendment is received by the Company at least 48 hours prior to the time appointed for holding the relevant meeting or adjourned meeting or (in the absence of any such notice) the chairman-chair of the meeting in the chairman's-chair's absolute discretion rules that the amendment shall be considered.

67. Adjournment

The Chairman-Chair of a general meeting or of an adjourned meeting may at any time during the course of the meeting adjourn from time to time and place to place the meeting or any business, motion, question or resolution being considered or remaining to be considered by the meeting or any debate or discussion and may adjourn any business, motion, question, resolution, debate or discussion either to a later time at the same meeting or to an adjourned meeting —with such additional means of attendance and participation (including at such place(s) and/or by means of such electronic facility or facilities), including where it appears to him or her that the facilities at the principal place or any satellite place have become inadequate for the purposes referred to in

Rule 57(c) or an electronic facility provided by or on behalf of the Company has become inadequate for the purposes referred to in Rule 57A(a), provided that all business conducted at the general meeting up to the time of the adjournment, or at any earlier time specified by the Chair (if, in the Chair's opinion, it would be more appropriate to specify an earlier time), shall be valid. If the Chairman-Chair exercises a right of adjournment of a meeting pursuant to this Rule, the Chairman-Chair shall have the sole discretion to decide whether to seek the approval of the meeting to the adjournment and, unless the Chairman-Chair exercises that discretion, no vote shall be taken by the meeting in respect of the adjournment. No business shall be transacted at any adjourned meeting other than the business which might properly have been transacted at the meeting from which the adjournment took place. Where a meeting is adjourned without specifying another time or place, the time and place with such additional means of attendance and participation (including at such place(s) and/or by means of such electronic facility or facilities) for the adjourned meeting shall be fixed by the Directors.

68. Voting

Every question submitted to a general meeting shall be decided in the first instance by a show of hands of the members present and entitled to vote unless prior to that time a poll is properly demanded or required pursuant to Rule 70.

69. Declaration of vote on a show of hands

At any meeting, unless a poll is demanded, a declaration by the Chairman-Chair that a resolution has been passed or lost, having regard to the majority required, and an entry to that effect in the book to be kept of the proceedings of the Company, signed by the Chairman-Chair of that or the next succeeding meeting, shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded in favour of or against the resolution.

70. Demand for poll

- (a) Subject to Rule 71 at any general meeting, a resolution (other than a procedural resolution) put to the vote of the meeting on which the holder of the Special Voting Share is entitled to vote shall be decided on a poll. A poll may be demanded by:
 - (i) the chairman chair of the meeting;
 - (ii) shareholders in accordance with the Corporations Act; or
 - (iii) the holder of the Special Voting Share.
- (b) A resolution put to the vote at a general meeting held partly by means of electronic facility or facilities shall, unless the chair of the meeting determines that it shall be decided on a show of hands, be decided on a poll.

71. Taking a poll

- (a) A poll on a resolution on which the holder of the Special Voting Share is entitled to vote shall be taken either immediately or at such subsequent time (not being more than 30 days from the date of the meeting) and place as the Chairman-Chair may direct and may remain open for so long as the Chairman-Chair may determine. Any poll may close at different times for different classes of shareholder or for different shareholders of the same class entitled to vote on the relevant resolution.
- (b) A poll on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either immediately or at such subsequent time (not being

more than 30 days from the date of the meeting) ~~and place with such additional means of attendance and participation (including at such place(s) and/or by means of such electronic facility or facilities) determined by the chair in his or her absolute discretion) and place and by such additional means of attendance and participation (including at such place and/or by means of such electronic facility).~~ as the ~~Chairman~~Chair may direct.

No notice need be given of a poll not taken immediately. The demand for a poll or requirement that a poll be taken shall not prevent the continuance of the meeting for the transaction of any business other than the business on which the poll has been demanded, or is required.

- (c) On a question of adjournment, a poll may only be demanded by the ~~Chairman~~Chair.
- (d) A demand for a poll may, before the poll is taken, be withdrawn but only with the consent of the ~~Chairman~~Chair. If a demand for a poll is so withdrawn:-
 - (i) before the result of a show of hands is declared, the meeting shall continue as if the demand was not made; or
 - (ii) after the result of a show of hands is declared, the demand shall not be taken to have invalidated the result of that show of hands.
- (e) In the case of any dispute as to the admission or rejection of a vote, the ~~Chairman~~Chair shall determine the dispute and the ~~Chairman's~~Chair's determination made in good faith shall be final and conclusive.
- (f) On a poll, a person entitled to more than one vote need not use all that person's votes or cast all the votes that person has or uses in the same way.

72. Continuance of business after demand for poll

A demand for a poll or requirement that a poll be taken shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded or is required.

73. Notice of adjournment

When a meeting is adjourned for 30 days or more or ~~sine die~~without specifying another time or place, not less than seven days' notice of the adjourned meeting shall be given in like manner as in the case of the original meeting.

 - (B) on a poll every member present (or who is entitled to vote by direct vote as contemplated by Rule 76(b)) shall have one vote for every Ordinary Share of the Company of which that person is the holder and the

- (ii) The Equalisation Share does not entitle its holder to attend or vote at any general meeting.
- (b) The holder of the Special Voting Share shall be entitled to attend at any general meeting and, subject to the provisions below, to cast on a poll the Specified Number of votes (some of which may be cast for and others against any resolution in such numbers as the holder may determine). The Specified Number of votes in relation to a resolution of the Company on a Joint Decision shall be the total number of votes attaching to Publicly-held Rio Tinto plc Ordinary Shares which were cast on the poll on the equivalent resolution at the nearly contemporaneous general meeting of Rio Tinto plc (other than those cast by or on behalf of any Excluded Rio Tinto plc Holder or by any person on whom a notice pursuant to Rule 145(D) has been served and not withdrawn or complied with in accordance with these Rules) divided by the Equalisation Fraction, minus the number of votes attached to the Ordinary Shares which are not Publicly-held Rio Tinto Limited Ordinary Shares and which are validly cast in accordance with the Rio Tinto plc Shareholder Voting Agreement.
- (c) The Specified Number of votes which may be cast in relation to a resolution of the Company which is not a Joint Decision shall be zero except that:
 - (i) on any resolution to amend, remove or otherwise alter any Rio Tinto Limited Entrenched Provision, any Entrenching Provision or on any resolution to amend, remove or otherwise alter the effect of any provision of these Rules which the Board and the Board of Rio Tinto plc agree should be treated as a Class Rights Action, the Specified Number of votes shall be equal to 34% (rounded up to the next highest whole number) of the aggregate number of votes attaching to all other classes of issued shares in the Company which could be cast on such resolution, and such votes (if cast) may only be cast against such resolution; and

- (d) The Special Voting Share shall not entitle its holder to vote on any show of hands.

75. Voting rights of personal representatives, etc.

Any person entitled under Rules 39 or 40 to transfer any shares may vote at any general meeting in the same manner as if the person were the registered holder of the shares; provided that at least twenty-four hours before the time of holding the meeting at which the person proposes to vote the person has satisfied the Board of the person's right to transfer the shares, unless the Board has previously admitted the person's right to vote at the meeting in respect of the shares.

76. How votes may be given

82. Rights of member indebted to Company in respect of other shares

Subject to any restrictions from time to time affecting the right of any member or class of members to attend any meeting, a member holding a share or shares in respect of which for the time being no moneys are due and payable to the Company shall be entitled to be present at any general meeting and to vote and be reckoned in a quorum notwithstanding that moneys are then due and payable to the Company by that member in respect of other shares held by that member; provided that, upon a poll, a member shall only be entitled to vote in respect of shares held by the member upon which, at the time when the poll is taken, no moneys are due and payable to the Company.

The notice shall:

- (i) set out the restrictions referred to in paragraph (E) below;
- (ii) state that the addressee of the notice is required to make a Required Disposal or procure that a Required Disposal is made by a time specified in the notice being such time as the

Directors shall consider most appropriate not being less than 7 days nor more than 60 days after the date on which the notice is given to the addressee (the "Specified Time") unless by that time either:

- (a) the Relevant Person has become a Permitted Person; or
- (b) the Directors have resolved in good faith that either the person stated in the notice to be a Relevant Person is not a Relevant Person or the addressee does not have an Entitlement to the shares which would otherwise have to be disposed of; and
- (iii) set out such other requirements or restrictions as the Directors shall consider necessary to ensure that by the Specified Time there is no Relevant Person (other than a Permitted Person) in relation to the Relevant Shares concerned.

If the Relevant Shares are held by an ADR Depositary, the notice shall also state that:

- E. A holder of a Relevant Share on whom a notice has been served in accordance with paragraph (D) above shall not in respect of that share be entitled, until such time as the Directors are satisfied that no Relevant Person has an Entitlement to that share or the notice has been withdrawn:

The absence of such a notice in those circumstances and any accidental error in or failure to give any notice to any person to whom notice is required to be given under this Rule shall not prevent the implementation of, or invalidate, any procedure under this Rule.

- I. A person (a "Holder") who has an Entitlement evidenced by an American Depositary Receipt shall be deemed for the purposes of this Rule to have an Entitlement to the number of shares in the Company in respect of which rights are evidenced by such Receipt and not (in the absence of any other reason why the Holder would be so treated) in the remainder of the shares in the Company held by the ADR Depositary.

 - (i) a member's shares in the Company are sold by the Company on the member's behalf under this Rule 147; and
 - (ii) any certificate relating to the shares the subject of the sale has been received by the Company (or the Company is satisfied that the certificate has been lost or destroyed),

the Company must, within 60 days after completion of the sale, cause the proceeds of sale to be sent to the member entitled to those proceeds (or, in the case of joint holders, to that one whose name stands first in the Register in respect of the joint holding). Payment may be made in any manner and by means as determined by the Board and is at the risk of the former member.
- (b) In the case of a sale of Prescribed New Member's shares in accordance with this Rule 147, the Company is entitled to deduct (and keep) from the proceeds of sale, the costs of the sale as determined by the Company. In any other case, the Company or a purchaser must bear the costs of sale. The costs of sale include all stamp duty, brokerage and government taxes and charges (except for tax on income or capital gains of the member) payable by the transferor.

147.6 Member's remedy

The remedy of any member to whom this Rule 147 applies in respect of the sale of that member's shares is hereby expressly limited to a right of action in damages against the Company to the exclusion of any other right, remedy or relief against any other person.

147.7 Suspension of rights

Unless the Directors determine otherwise, where a Divestment Notice is sent to a Prescribed New Member in accordance with Rule 147.3, then, notwithstanding any other provision in this Constitution, the rights to receive dividends and to vote attaching to the shares of the member the subject of the Divestment Notice are suspended until the shares are transferred to a new holder or the member ceases to be a Prescribed New Member. Any dividends that would, but for this Rule 147.7, have been paid to a member must be held by the Company and paid to the member within 60 days after the later of the date the shares of the member are transferred or the date the member ceases to be a Prescribed New Member.

147.8 Determination binding

Any determination made by or on behalf of the Company (including any determination made by the Secretary) under this Rule 147, shall be binding on, and conclusive against (in the absence of a manifest error), a member.

147.9 Company's power to sell

Notwithstanding anything else:

- (a) subject to paragraph 147.9(b), the provisions of this Rule 147 may be invoked in respect of Prescribed Members only once in any 12 month period; and
- (b) from the date on which there is publicly announced a Takeover in respect of the Company's shares until the close of the offers under that Takeover, the Company's powers under this Rule 147 to sell the shares of a Prescribed Member cease to have any force or effect.
