

Joint Venture Beneficial Ownership

The below table provides information on our managed and non-managed joint ventures, as well as jointly-owned entities, within Rio Tinto's Product Groups.¹ These businesses cover mineral extraction, as well as processing and smelting activities.

This information is provided as at 1 August 2021 and is subject to change without Rio Tinto's knowledge. It is intended to update this information every two years, unless circumstances warrant an earlier update.

Project/Operation Name	Location	Rio Tinto Interest	Partners	Partner Ownership Details	Other Information ²
Australia					
<i>Aluminium</i>					
Boyne Smelters	Queensland, Australia	59.38% (via Boyne Smelters Limited, RTA Boyne Limited and Rio Tinto Aluminium Limited)	Ryowa Development Pty Limited (5.19%)	Australian proprietary company (ACN 011 040 421) Ryowa Development Pty Limited is a subsidiary of Mitsubishi Corporation.	For information on Mitsubishi Corporation, its subsidiaries and its beneficial owners, see https://www.mitsubishicorp.com/jp/en/ .
			Ryowa Development II Pty Limited (6.45%)	Australian proprietary company (ACN 063 780 021) Ryowa Development II Pty Limited is a subsidiary of Mitsubishi Corporation.	For information on Mitsubishi Corporation, its subsidiaries and its beneficial owners, see https://www.mitsubishicorp.com/jp/en/ .
			YKK Aluminium (Australia) Pty Limited (9.50%)	Australian proprietary company (ACN 001 779 237) YKK Aluminium (Australia) Pty Limited is a subsidiary of YKK Corporation.	For information on YKK Corporation, its subsidiaries and its beneficial owners, see https://www.ykk.com/english/ .
			Southern Cross Aluminium Pty Limited (7.71%)	Australian proprietary company (ACN 063 778 996) Southern Cross Aluminium Pty Limited is a subsidiary of Sumitomo Corporation and Marubeni Corporation.	For information on Sumitomo Corporation, its subsidiaries and its beneficial owners, see www.sumitomocorp.com/en/jp . For information on Marubeni Corporation, its subsidiaries and its beneficial owners, see https://www.marubeni.com/en/company/ .
			UACJ Australia Pty Limited (9.29%)	Australian proprietary company (ACN 005 579 840) UACJ Australia Pty Limited is a subsidiary of UACJ Corporation.	For information on UACJ Corporation, its subsidiaries and its beneficial owners, see www.uacj.co.jp/english/ .

For information on Sumitomo Chemical Group, its subsidiaries and its beneficial owners, see www.sumitomo-chem.co.jp/english/ .
Gladstone Power Station	Queensland, Australia	42.125% (via the unincorporated Gladstone Power Station)	NRG Energy Inc (37.5%), via Sunshine State Power BV and Sunshine State Power (No. 2) BV	Sunshine State Power BV (Chamber of Commerce No. 33253524) and Sunshine State Power (No. 2) BV	For information on NRG Energy, Inc., its subsidiaries and its beneficial owners, see www.nrg.com .

¹ Since the last publication of this information in October 2019, Rio Tinto's interests in Energy Resources of Australia Ltd (ACN 008 550 865) ('ERA') (which operates the Ranger mine) and the Channar Mining joint venture are no longer managed within the relevant Rio Tinto Product Group or no longer represent a joint venture. For ERA, Rio Tinto holds 86.3% of ERA's shares, with the remaining 13.7% of ERA's shares publicly held and traded on the Australian Securities Exchange. For the Channar Mining joint venture, Rio Tinto's ownership interest in the Channar mine increased from 60% to 100% following conclusion of its joint venture with Sinosteel Corporation, upon reaching planned 290 million tonnes production on 22 October 2020.
